SPIRITUALITY

by Walter Last

The Spiritual Dimension is the key article here with an outline of the basic principles of spirituality and the spiritual path.

If you are interested in the spiritual path itself, then see **The Spiritual Path**.

If you find this too complicated and want a simple prescription for spiritual growth, then read **A Spiritual Path For The New Millennium**.

For an outline of a rational spiritual philosophy see also my article, **The Science of Spirituality**.

If you like the idea of spiritualising your sex life, then have a look at **Spiritual Sex** and **Sex and Spirituality**.

The Saint and His Virigin is about **Sacred Sexuality** in Early Christianity and the Inner Teachings of Jesus.
